## **Press Release- Brooklyn, New York (6/23/02)**

New York City Councilman Marty Golden, scored a Grand Slam home run, as far as the association's "Intramural Senior Division" are concerned. City Council Member Golden helped secure much needed infield clay mix, for Grady Field a NYC Parks Department facility. The association's "Senior Intramural Division" consists of boys 15 to 18 years of age who play from May, to the end of July. Commissioner Tony De Marco stated he is very proud to have this division, as there are very few programs that offer intramural baseball for boys in this age category. Thank you again Councilman Golden.

The Our Lady Of Grace, Gravesend Athletic Association, Gil Hodges Little League, provides youth sports programs, for boys and girls, from the ages of 5 to 18 years old. The programs for baseball, and softball, are conducted during the spring and summer, and basketball during the fall and winter. The association has been in continuous operation since 1955.
