The Board of Directors announce the *Associations* start of registration for the **Baseball 2005** season, as well as continuing registration for the **2004-05 Basketball** season. Frank LoPiccolo, the *Director of Personnel* and *Past President*, urged members to register early and take advantage of the early registration discount and ensure you child's spot on next year's roster. He also noted that parents, who register for both Baseball and Basketball at the same time, would receive an additional 20% discount for both sports, credited on the second sport registration. Additional discounts are also available for managing or coaching Baseball, as well as multiple children registration. These discounts are made available in part due to the funding secured for the association by our elected officials, City Councilman Dominick Recchia, State Assemblyman William Colton, State Senator Marty Golden State Assemblywoman Adele Cohen, as well as the fundraising authorized by your Board of Directors
