

GRAVESEND ATHLETIC ASSOCIATIONS

Our Lady Of Grace Athletic Association

Gravesend Athletic Association

Gil Hodges Little League

Press Release- Brooklyn, New York (7/1/02)

Frank Iovino, Association President, expressed his appreciation on behalf of the children, member volunteers, and executive directors of the association, to our Assemblyman Bill Colton. Assemblyman Colton has helped secure funding for the operation of the association for the fiscal year that began April 1, 2002.

Mr. Iovino stated that the funding would be used for the purchase of equipment for the associations baseball, softball and basketball programs. Assemblyman Colton has been a consistent supporter of the children of this community, for many years. He has also worked to help make life a little bit better for all of his constituents, with his work for our senior citizens, and his fight to stop the reopening of the incinerator along Shore Parkway.

We are most appreciative, especially in these times of fiscal constraints, where every dollar counts. Assemblyman Colton can be assured that the award will be used wisely.

The Our Lady Of Grace, Gravesend Athletic Association, Gil Hodges Little League, provides youth sports programs, for boys and girls, from the ages of 5 to 18 years old. The programs for baseball, and softball, are conducted during the spring and summer, and basketball during the fall and winter. The association has been in continuous operation since 1955.
